

Problem-solving - symptoms and root causes

This visible problem (symptom) is connected to all root causes, showing that the use of Best Practices is an extreme high risk. We must always fix our root causes to eliminate our problems**.

Here is the area of Best Practices and One Size fits all

Unsolvable!

Here is really no reasonable discussion about the solution!

Solvable!

↙ why?

*non-fulfilled (negated) principles

**Ackoff's Dissolution of Problems
